To whom it may concern,

**Swiftsure Ceilings Ltd.**

Bompas & Parr Studio instructed Swiftsure to carry out the interior fit-out of our 4000 sqft studio. Swiftsure worked to an aggressive programme to get the space ready for the relocation of our business. The work involved demolition; drylining; installing insulation; putting in new M+E systems; decorating and tiling; joinery; installing ceilings; and installing vinyl and carpet flooring.

I was impressed by the speed of the work, the level of professionalism and the finished result. Both Siobhan and Dan are a pleasure to work with and I would not hesitate to recommend Swiftsure.

Yours,

Harry Parr ARB  
Director, Bompas & Parr Studio Ltd.
